PROFILE SUMMARY

MERN Stack Developer | Fresher with expertise in MongoDB, Express.js, React.js, and Node.js, eager to develop scalable web applications and contribute to impactful projects. Passionate about problem-solving, front-end optimization, and state management. Seeking an opportunity to learn and grow in a dynamic tech environment.

EDUCATION

Sree Sakthi Engineering College, Coimbatore

B.E : Electrical and *Electronics Engineering* - **CGPA - 8.6**

12th std : 75% | **10th std** : 82%

SKILLS

Technical Skills : HTML5, CSS3, Tailwind CSS, JavaScript, React, MongoDB, Node js, Git

Tools Known : Visual Studio Code, Figma, Canva, GitHub

Database : **Firebase**

PROJECTS

Nostra - E-Commerce Website - HTML, TailwindCSS, JavaScript

- Built a fully responsive and modern e-commerce website with features like product search, category filtering using checkboxes, and a side navigation bar. Focused on delivering a smooth and user-friendly experience across all devices.

Portfolio Website – React, Tailwind CSS

- Designed and developed a personal portfolio using React and Tailwind CSS to showcase projects, skills, and contact details. Implemented smooth navigation, responsive design, and reusable components to ensure performance across devices. Hosted on Vercel for seamless deployment and accessibility.

BookBazar – Full Stack Bookstore Application – MongoDB, Express.js, React, Node.js

- Created a fully functional MERN stack web application for an online book store. Features include product listing, user authentication, cart functionality, and secure API integration. Emphasized efficient state management and backend communication to deliver a smooth user experience.

EXTRA-CURRICULAR ACTIVITIES

- **Event Volunteer – Technical Symposium**

Actively volunteered in organizing a national-level symposium, managing event coordination, participant registration, and stage handling. Gained hands-on experience in teamwork, time management, and leadership.

- **Team Lead – College-Level Project Expo**

Led a team in designing and showcasing a functional technical project at a college-level Project Expo. Managed development, team collaboration, and delivered a professional presentation.
